

PUBLIC SERVICE COMMISSION OF SOUTH CAROLINA
CLERK'S OFFICE

NOTICE OF GENERIC WORKSHOP

DOCKET NO. 2019-365-E

Exploration of a South Carolina Competitive Procurement Program for the Competitive Procurement of Energy and Capacity from Solar and Other Renewable Energy Facilities by an Electrical Utility as Allowed by South Carolina Code Section 58-41-20(E)(2) (See Directive Issued on November 25, 2019)

During its Regularly Scheduled Commission Business Meeting on Wednesday, December 18, 2019, the Public Service Commission of South Carolina (the Commission) found that competitive procurement of energy and capacity from solar and other renewable energy facilities by an electrical utility overlaps several key subject areas that involve a great deal of complexity, including the Integrated Resource Plan process, interconnection, energy storage, and queue reform. At the Meeting, the Commission ordered its Staff to schedule a Generic Workshop for interested stakeholders regarding how to create programs for competitive procurement that address these overlapping issues and how to prioritize them in taking the next steps for renewable energy in South Carolina.

PLEASE TAKE NOTICE THAT PURSUANT TO COMMISSION ORDER NUMBER 2019-876 AND S.C. CODE ANN. REGS. 103-817, THE PUBLIC SERVICE COMMISSION WILL CONDUCT A GENERIC WORKSHOP REGARDING THE COMPETITIVE PROCUREMENT OF ENERGY AND CAPACITY FROM SOLAR AND OTHER RENEWABLE ENERGY FACILITIES BY AN ELECTRICAL UTILITY ON **MONDAY, JANUARY 27, 2020, AT 10:00 A.M.**

INTERESTED STAKEHOLDERS WHO INTEND TO MAKE A PRESENTATION AT THE GENERIC WORKSHOP ON MONDAY, JANUARY 27, 2020, MUST INFORM THE COMMISSION IN WRITING NO LATER THAN TUESDAY, JANUARY 21, 2020, BY 4:45 P.M.

INTERESTED STAKEHOLDERS WHO INTEND TO MAKE A PRESENTATION AT THE GENERIC WORKSHOP SHOULD FILE A BRIEF OVERVIEW OF THE PRESENTATION WITH THE COMMISSION NO LATER THAN TUESDAY, JANUARY 21, 2020, BY 4:45 P.M.
